J&K Bank publishes no question papers and no topic-wise syllabus. IBPS conducts the exam on the same pattern as IBPS's own clerk exam, so we went through 115 past papers of IBPS's clerk and PO prelims (2016 to 2026), one question at a time, and wrote down the topic each one tests.

A topic's marks are its share of its section's questions in those papers, of the section's marks. "Asked in" is how many of the papers had at least one question on it. These are counts from past papers, not a promise about the next one.
